

# Geography Course Prerequisites

## Human A

1200

Take **1200** and one of these:  
2315 Oceans  
2333 Biogeog.  
2349 Cultural

3329 Geographic Perspectives on Nature

2312 Urban Geography  
2341 Economic Geography  
2349 Cultural Geography

Take **one** of:  
2312 Urban  
2341 Economic  
2349 Cultural

3302 Built Environment  
3311 Rural Geography  
3321 Economic Globalization  
3351 Demography & Migration

Take **two** of:  
2312 Urban  
2341 Economic  
2349 Cultural

4412 Urban Historical & Preservation  
4431 Community & Reg. Development  
4432 Social Geography of the City  
4442 Urban Planning  
4449 Tourist Geographies

## Techniques C

2386 Introduction to Mapping & GIS

Take 2306

2306 Geospatial Concepts

18 Credit Hours

2356 Inquiry & Explanation In Geography

2315 Oceans

Take 2386 or GEOL 3305

3386 Concepts in GIS

3356 Remote Sensing

3326 Statistical Methods

Take 3356 or 3386

4496 Applications in Geomatics

3416 Qualitative Research Methods

3004 Geography Practicum

Also be a GEOG Major or Hon. Student

3350 Geography of Sub-Saharan Africa

3304 Environmental Management

+6 hours at 2000 or above

Take 3304 or ENVS 2300, and one of: MATH 1207, GEOL 3326, or BIOL 2308

Take 3304 and either: 2313 Geomorphology or GEOL 3340

## Integrative D

4424 Natural Resource Management

4434 Watershed Management

GEOG Major or Hon. Student

4406 Capstone Seminar

+60 Credit Hours

GEOG Honours Standing

4526 Honours Research Project

Requirements Vary

4800-Selected Topics  
4849 in Geography

Take either 1100 or 1200

Global Perspectives on Land and Life  
1100

2310 Geography of Canada  
2332 Global Cities  
2390 Geography of Ireland

No Prerequisites

Take both 1100 and 1200

People, Place and Environment  
1200

+24 Credit Hours

3454 Bay of Fundy: Environments & Issues

3100 Geography Field School

3320 Geography of the North

3340 Geography of Nova Scotia

24 Credit Hours

3380 Climate Change: Impacts, Vulnerability & Adaption

Only 1200 required

Take 1200 and one of these from Group A:  
2312 Urban  
2341 Economic  
2349 Cultural

2333 Biogeography

2313 Geomorphology

Take 1200 or GEOL 1201

2343 Weather & Climate

Take 2333 or 2313

3553 Arctic & Alpine Landscapes

3273 Applied Geomorphology

3433 Fluvial Geomorphology

## Physical B

4413 Coastal Geomorphology

4423 Glaciers & Glaciation

4443 Natural Hazards

Take 2313 or 2343

+6 hours at 3000 or above
