# President's Welcome

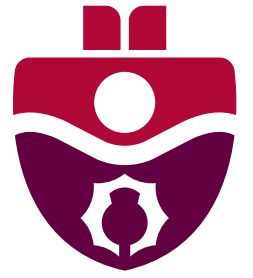

Saint Mary's University's **30<sup>th</sup> Annual Employee Recognition Ceremony** is a special opportunity to acknowledge those valued colleagues who have contributed to the richness and diversity of this university for 10 years and more.

We will also take this occasion to present the President's Award for Exemplary Service to deserving individuals who have consistently gone above and beyond to make Saint Mary's a special place to work and learn.

We will close the ceremony with the presentation of the Santamarian Awards, which have been established to recognize outstanding contributions of faculty and staff to the workplace culture of Saint Mary's University.
