Faculty of Science

As a higher academic institution, SMU strongly believes in ongoing professional growth. With the purpose to enhance the skills of the pool of interpreters working in the SMU Faculty of Science and ultimately the level of service to the University community.

Remember, *“Professional development is a process, not an event.”*

Gathering of the Minds

Wednesday October 28 & Thursday October 29 a meeting space will be available for all interpreters working at SMU in the Faculty of Science.

This is our opportunity to talk about the work at SMU and how we can advance our skills!

If possible please RSVP by 3pm on Wednesday.

Location: Burke Building room 207

Time: 6pm - 8pm

If you are joining via Skype or Google Hangouts, send your contact details to Ashley and which date you will be joining.

Did you know:

Have you used the [SMU Deaf Academics & Interpreters](#) webpage lately? Did you know it is updated regularly with new resources and useful information?

Featured Resource

This issue the [ASL-STEM Forum](#) website is our Featured Resource. This website has a plethora of ASL vocabulary and ASL concepts for STEM (Science, Technology, Engineering, Mathematics) fields.

This web forum covers topics ranging from social and natural sciences; information technology, hardware, and IT systems; aeronautics, bioengineering, and mechanical; and the list goes on and on and on.

Ever needed the sign for [“molecule”](#)? Or maybe concepts in [mathematics](#)?

Check out this amazing website and it will quickly become one of your favourites!
