

Hello again SMU colleagues,

It is time for my weekly prod/prompt regarding requesting your ongoing participation in the online discussion/consultation regarding renewal of our Strategic Research Plan. I've kept the email thread attached here for your review about the process (rather than re-type it :) The main points for this week:

- We are in the middle of our 3rd (of 5) Scenario for soliciting your experiences – our 4th Scenario will open in 7 days ... for now, please follow this link to participate:

Research Themes Scenario - <https://smu.ca/strategicconversation/>

- If you would like to find out more about the Strategic Research Plan renewal process, and this consultation method, etc.: we will hold a **“lunch and learn” information session** this

Wednesday (Feb. 6), 12:00-1:00pm, in the CLARI Room (Atrium 340)

Please drop by if you are interested in discussing the process, the Plan, anything related.

Thanks for your attention. The plan is to wrap-up the online consultation by March 4th, and we'll have a larger town-hall type meeting after that to review and dig into the data, and collectively interpret implications for our Plan.

Note that you can always go back in participate at any time in the first two scenarios here:

Theme #1: Interdisciplinary Research

Scenario: <https://smu.ca/strategicconversation/id/>

Theme #2: Community-Engaged Research

Scenario: <https://smu.ca/strategicconversation/ce/>

Regards,
