THE LANGUAGE CENTRE WILL BE OFFERING SEGMENTED LANGUAGE COURSES FOR THOSE STUDENTS WHO WILL BE ATTENDING SMU IN FALL 2020 OR ARE NOT ABLE TO COME TO CANADA IN THE NEAR FUTURE.

ONE PATH FOR EVERYONE

You do not need to know your English language level to get started. After you register students will be given a placement test prior to starting to ensure you get placed in the appropriate skill group.

PROGRAM DETAILS

• Classes will be a mix of live interactive sessions along with self-paced daily activities. Depending on time zones, students not able to participate in the live sessions will be able to engage with recorded sessions as well as with their TLC-OLC classmates.

• Along with weekly classes, students will also be invited to participate in exclusive online social activities organized by TLC. This will include participating in the Talk Project 2.0, where students will be paired up with SMU students for video discussion.

• Students who progress to the highest level will have the opportunity to take an intensive language course upon commencement of their undergraduate studies to satisfy language requirements, and ensure studies are not delayed.

• Each course duration is 15 hours a week for 3 weeks.

• Students will progress at their own pace to ensure the quality of the language skills they are gaining.

COST AND START DATE

$600.00CDN – full course fee is required for enrollment. Classes begin May 4th with weekly starts.
