

Overview

Date Established: 1990

Location: 7071 Bayers Road—Suite 104

Number of Volunteers: 5

The YMCA believes in strong, inclusive communities. The Centre for Immigrant Programs delivers programming specifically to help newcomers feel at home in their new communities. The Centre helps children and youth adjust to their new schools and lives, offers fitness, English tutoring and conversation groups and community activities for adults and families. Helps newcomers to grow in spirit, mind and body and create welcoming communities. More than 1500 immigrants participate each year in the Centre's programs.
